19 December 2018

Term 4 – Week 10 (B)

Principal's Message

Another year has passed way too quickly. It is scary to look in the latest edition of Birralee to see the amazing amount of educational opportunities that have been undertaken by staff and students. If you require some prompts to remind you of how your children involved themselves in school life, then please order a copy of the magazine. A special thanks to Miss Jones and Miss Foster for the countless hours in collating such a professional product.

Presentation Night is here once again. **Tonight starting at 6.00 pm.** This is a most exciting evening where outstanding student achievements are recognised and celebrated. I would like parents to assist in ensuring their child is in full school uniform when receiving awards. I hope to see all our families in attendance to make this a special night and share in the successes of our students.

Recently, you may have been aware that we announced the retirement of Mr McDonell. Circumstances have changed and Mr McDonell has committed to another year at Batlow Technology School. Mr McDonell will remain as the Head Teacher of the STEM faculty.

As we enter into the vacation period, I would like to thank the school community for their positive support that has been so evident throughout the year and trust that we can further build upon this support into 2019. Be safe and make good choices over the break.

Greg Hodges
Principal

Return Dates for 2019

Tuesday 29 January 2019

Staff Development Day

Wednesday 30 January 2019

Year 1 to Year 12

Thursday 31 January 2019

Kindergarten
