Principal's Message

Parents and Carers

2021 school year has come to an end at a very fast pace. These last few weeks of Term 4 are always busy, students are completing their final assessment tasks, HSC exams were finalised and Year 6 and Year 12 formals occurred quietly due to COVID 19 restrictions.

Kindergarten enjoyed their Book Launch Celebration, students read the books that they had written to various staff members and were very proud of their efforts. Students have been involved in police talks, rugby league coaching took place, and the Double Platinum students enjoyed a hamburger and ice cream lunch for their wonderful efforts throughout the school year.

This week high school students are involved in a Water Carrying Challenge and a Fairytale Fun Day. The whole school will enjoy a hamburger lunch on Wednesday courtesy of Rural Outreach Counselling and supported by Year 12 with their cooking skills.

Due to the Batlow Bakery no longer being able to provide lunches for our students, Mrs Pearce and the Year 12 Hospitality class will be operating the canteen for lunches in Term 1, 2022 on Fridays only. A menu has been attached to Scoop, please fill in the lunch order on a paper bag with money placed inside the bag, students will have to bring the order to the office on their way into school and place in the shute. Orders will need to be in the office by 9.00 am, students will not be able to walk up to the canteen at lunchtime and order food, pre-ordered lunches will only be available.

Thank you for your continued support of Batlow Technology School and I wish all our families a safe and restful Christmas break and we look forward to welcoming students back in 2022.
