Completing Absentee Notes and Notices

Information for parents and carers

It is important to tell the school if your child has to be absent from school and to provide a reason for the absence.

Principals are legally responsible for keeping accurate records of student attendance.

Principals are also responsible for deciding if the reason given for an absence is justified.

Wherever possible, parents and carers are encouraged to provide an explanation for absences before the absences occur.

The Principal of the school has the right to question parents' requests for their child to be absent from school. The Principal also has the right to question an explanation given for a child's absence from school.

To explain an absence parents and carers may:

- send a note, fax or email to the school
- telephone the school, or
- visit the school.

Bilingual Absentee Notes

Three bilingual absentee notes are available to assist you to inform the school of your child's absence.

Absentee Note 1 should be used when a child is absent for 1 whole day.

Absentee Note 2 should be used when a child is absent for more than 1 day.

Absentee Note 3 should be used when a child is absent for part of the day.

Absentee Notices

If the school has not received an explanation for a child's absence they may send you an Absentee Notice.

Principals use the Absentee Notice to contact parents within two days of an unexplained absence. The Absentee Notice must be completed in English and returned to the school within seven school days, giving a reason for the absence.

Completing details of absences

Sections of the Absentee Notes and the Absentee Notice ask you to provide details for your child's absence or partial absence.

NATIONALLY CONSISTENT COLLECTION OF DATA

The NCCD is an annual Australian Government data collection that is required under the Australian Education Regulation 2013 for all Australian schools. The NSW Department of Education collects student level data as required for the purpose of reporting information for the NCCD to the Australian Government. The data collection supports a broader model of engagement and support for students with disability to access and participate in education on the same basis as other students.

Batlow Technology School is in the process of collecting and reporting information for the NCCD to the Australian Government. This is reported on an annual basis.

NSW Department of Education

In line with privacy legislation, the department is using the NCCD to inform policy development, funding, future planning, implementation, monitoring and reviewing adjustments for students with disability to support the work of schools under the obligations of the Disability Discrimination Act 1992 and the Disability Standards for Education 2005.

Aerosols

A reminder that aerosol sprays including deodorant are not permitted at Batlow Technology School.
