## SECONDARY BOOK EQUIPMENT REQUIREMENTS

As Term 4 concludes and we all look forward to 2025's school year, it is timely to remind all parents and carers about sending students to school with all of their necessary resources.

Below is a list of supplies that your student in **Year 11** and **Year 12** will be required to bring to school from the **first day** of Term 1 in 2025.

An alarming number of students were not well-resourced during 2024, causing disruptions to the beginning of classes as resources were sourced and distributed by the teacher to students. To ensure that we maximise our learning time, we ask that you supply your child with all of the items on the list and contact us with any concerns you have with supplying your child with these things
