## MOBILE PHONE POLICY BATLOW TECHNOLOGY SCHOOL

Dear Parent/Carer

Due to the increase of online bullying, decreased engagement in the classroom and misuse of mobile phones during school hours, we have decided to implement the **Yondr Pouch**.

Every secondary student will be assigned a personal **Yondr Pouch**. Students place their phones, ear pods and smartwatches in the **Yondr Pouch** at the start of the school day, lock the pouch and unlock it as they leave.

While the **Yondr Pouch** is considered school property, it is each student's responsibility to bring their pouch to school each day.

Students should read and understand the **Mobile Phone User Agreement (230 KB)** before the policy is implemented.

Our school's **Mobile Phone Policy (346 KB)** has been updated to reflect these changes.

The **Mobile Phone User Agreement** and **Mobile Phone Policy** is attached to this letter.

**Important** - Please return the **Mobile Phone User Agreement**, which is attached to this letter, by Monday 10 February 2025.

Yours sincerely

Michelle Wainwright  
Principal
